

## Operations Intern

---

Kola studios is a mobile game development company based in Kampala, Uganda. We build casual games that resonate with the culture of a target audience but also have global appeal. We currently have 4 games and 1 social application with a growing number of users every day. Our most popular game, Matatu has been downloaded over 40,000 times across Android and iOS smartphones. Matatu has over 100,000 games played every day.

Kola Studios is expanding and building games for a broader market and hope to cover all corners of Africa in the next 6 months.

We are looking for an operations intern to work with the business and marketing team to manage daily operations in the departments.

The Operations team embodies Kola's vision by working tirelessly to organize everything, and manage everything.

**Position:** Operations Intern

**Number:** 1

**Location:** Kampala, Uganda

**Duration:** 3 Months

**Description:**

As an operations intern, you will be responsible to carrying out key activities within the company to meet the required goals and timelines. You will be working closely with the marketing and business teams to ensure the operations run seamlessly as intended.

**Responsibilities:**

- Take full responsibility for projects as assigned.
- Research and develop deep knowledge of key marketing strategies.
- Liaise with the technical team on game features and client requests.
- Aiding in visuals concepts for development of online campaigns.
- Contribute to the development of internal and external games.
- Take part in the testing phase of products
- Learn new skills as outlined by long-term training plan, using books, online training, one-on-one mentoring and other resources.
- Day to day support for ad hoc requirements
- Assisting with product and campaign photo shoots

**Qualifications**

- University degree.
- Good people skills
- Fluent in English
- Very internet savvy

### **Desired Skills and Experience**

- Motivated and organized person who is a self-starter and can multi-task
- Able to maintain a compelling and consistent style throughout the project.
- Basic understanding of information technology and its use in business
- Good time management and communication skills.
- Excellent verbal and written communication skills.
- Highly collaborative but also able to work independently
- Fluent in English.
- Familiarity with business to business marketing concepts
- Analytical and data literate
- Positive, energetic attitude
- The flexibility to do ad hoc activities as required.

Please send CV and cover letter to [jobs@kolastudios.com](mailto:jobs@kolastudios.com) to be considered for this position. Only shortlisted candidates will be contacted.
